

## Commitment

Quadric Pty Ltd recognises its moral and legal obligations, and is committed to protecting its employees, contractors, customers, visitors, local community, and future generations. We are committed to earning and maintaining the confidence of our clients by providing quality resources and services designed to meet client requirements and expectations. This policy is applicable to all our operations and functions including fitout projects, maintenance, insurance, domestic, joinery manufacture, and head office.

## Compliance

The system of operations at Quadric Pty Ltd meet with prescriptive legislation, codes of practice, and promotes the principle of 'best practice' through the incorporation of other criteria that may not yet be legally binding but have evidentiary status, such as internationally recognized certification. This will be achieved by having a continual improvement approach to all of our activities.

## Accountability

Quadric Pty Ltd is accountable for its capacity to deliver its policy commitments through the clear allocation and delegation of our objectives, as follows:

- Provide safe plant and systems of work
- Provide information, instruction, training, supervision, support and resources to our employees, contractors and customers to ensure they meet their quality and safety objectives
- Setting of objectives and targets to maximise Health, Safety, Environmental and Quality outcomes
- Purchase products and materials taking into account Health, Safety, Environmental and Quality aspects
- Minimize resource consumption, emissions, pollution, & significant adverse environmental impacts of our activities
- Promote biodiversity & promote ecological sustainability wherever possible.

It is recognised and promoted that Health, Safety, Environmental and Quality matters are everyone's responsibility.

## Consultation

Quadric Pty Ltd is committed to consultation and cooperation between management and employees, line managers, elected safety committee, subcontractors, suppliers, clients, and independent experts, at regular intervals to achieve a consistent approach.

## Prevention

Although our Health, Safety, Environmental and Quality record has historically been of a very high standard, it is a core belief of Quadric Pty Ltd that "prevention is better than cure". We wish to minimise risk **wherever practical**, not only when economically viable.
